LORAIN COUNTY MCKINLEY CLUBS
VISIT CANTON.

A delightful trip over the Wheeling & Lake Erie and Canton & Massillon Electric Railway—speeches made by Gov. Woodley, Hon. Bushnell and others.

The hundred and seventy-five jolly members of the Wellington McKinley and Robert Club, reinforced by fifty others from Brighton and Spencer, paid their respects to Major McKinley, at Canton, last Friday.

The day was perfect and the trip was a success in every way. The start was made from the Wheeling & Lake Erie depot at nine o'clock, where six gayly decorated coaches awaited to carry the club to Massillon. The trip to this place was under the personal supervision of Traveling Passenger Agent Hines, of the W. & L. E., and the arrangements were perfect in every detail. Arriving at Massillon the party boarded the special cars to the Canton & Massillon Electric Railway, and in a short time found themselves at the home of Major McKinley. The run to Canton was the luxury of the trip and all enjoyed the beautiful scenery through which the electric road passes.

At Canton a brass band met the club and after being joined by the rest of the Lorain County delegation, all proceeded to the McKinley residence. Judge Stone spoke for the Lorain County visitors and Judge for the Lorain County Club, Pa., which had joined the Lorain County delegation. Mr. McKinley responded in an eloquent speech, after which there was a scramble to grasp the hand of the next president. Ringing speeches were afterwards made by Governor Bushnell and Governor Lippitt, of Rhode Island, and all returned to the city to see the sights.

Lorain County sent the largest single delegation that has yet visited Canton, amounting to 2,500 persons from this county were in line. The returning train left about five o'clock and reached Wellington at eight.

Resigned.

Monday evening after the service a reception was given in his behalf and everyone present appeared to be anxious to grasp his hand. During his pastorate service here he always had a word of cheer for everyone. His friends here can only be counted by the score.
